Joel - I just sent you an invitation for the 12th, at 2:00 pm. If anything changes on our end I will shoot you an email. Otherwise, I have attached below directions on how to find Bob's office here at HQ in DC, by both cab and Metro. If you have anything else you need from us feel free again to call or email me.

Don -- The afternoon of the 12th will work well.

I'd propose 2pm but let me know if later is preferable on your end and we will plan accordingly. Please let me know the location and any other information you need.

I'll be joined by NRDC colleagues Taryn Kiekow amd Jon Devine. If others are added to the list, I'll let you know immediately.

Thanks very much for your help with this.

Sincerely,

Joel Reynolds
Western Director
NRDC

Mr. Reynolds

Wanted to reach out this morning with some times for review on your end, regarding the meeting requested below. Let me know if anything in the range listed below for the 12th will work for you on the 12th and I will go ahead and secure it. I would also request that you send us names of anyone else that would attend with you for the meeting and any specific concerns regarding the discussion requested that you may have for us. I can be reached by email at anytime and also can be called on the numbers listed below.

Subject: Pebble Mine

Dear Deputy Administrator Perciasepe, Acting Assistant Administrator Stoner, and Senior Counsel Sussman:

I am writing to request a meeting at your convenience next week on Tuesday or Wednesday February 12-13 to discuss the Pebble Mine and the status of EPA's draft Bristol Bay Watershed Assessment.

As you know, NRDC and its members and activists have been strong and steadfast supporters of the agency's work with respect to the Pebble Mine – support that we have repeatedly expressed both informally and by formal comments. Today, as I'm sure you have seen, we placed a full page ad – funded by our members -- in the Washington Post urging the President to move forward with protecting the Bristol Bay watershed based on the comprehensive assessment prepared by EPA. (A copy of that ad i
